

**Kázání MESSAGE**

1. Feeding the five thousand was a good lesson for the disciples. They experienced joy as they were a part of the miracle.
2. Life goes on. Jesus is sending the disciples to another situation where they learn a new lesson. The storm is dangerous and Jesus knows about it. He lets it happen.
3. The disciples are in danger but they are suddenly afraid of something else – Jesus walking on the water. It is beyond their understanding.
4. In the middle of the storm, they must learn a new lesson. They need to learn to trust the Lord. The Lord demonstrates his glory and power over the sea as well as the disciples' hearts.

**Main idea:** In life we can often find ourselves in dangerous waters. And it is just in these times that Jesus comes and assures us that we do not need to be afraid. He has power over adverse conditions as well as people's hearts.

**Main application:** Trust the Lord
